Thread: [Account closed, no reason](#)

Hey,

Woke up a few days ago to find myself logged out, tried to log-in again and my account was closed. I didn't do anything wrong I believe and there's no ban reason or anything to be found anywhere so I don't know what happened.

This is my account: [hackforums . net/member.php?action=profile&uid=3054235](http://hackforums.net/member.php?action=profile&uid=3054235)

Thanks!

Believe me there was a reason. Omniscient doesn't close accounts for fun. Also, you cannot appeal to account closure.
