Thread: [Among jsocket rat, adwind rat luminosity rat](#)

dabany - July 9, 2017, 7:48 pm

among jsocket rat, adwind rat and luminosity rat which one is the best since nanocore is no more

Reyyzan - July 9, 2017, 7:51 pm

LL is very good, Nanocore is good too

Zatog1420 - July 10, 2017, 6:16 am

LL is shit and nanocore too

fa1c0n - July 10, 2017, 6:18 am

Luminosity Link is awesome. Features are endless.

joymock2 - September 19, 2017, 4:31 pm

Luminosity is not good because it alert the victims before installing, it should be in secrete not in public

LuminosityLink is dead, not sure why you brought this thread from the grave.

kingmaker1 - August 20, 2018, 5:02 am

What rat can one use that is the best right now

Depends on what you need, but I recommend you use the search function since many people have asked that question.

papi1001 - October 4, 2018, 4:48 pm

can you send me your skype so you can put me through on setting up the quasar rat . I have little but good knowledge but a extra hand would do a lot of good for my work. Please send your Skype jabber

UpTheCrust - October 4, 2018, 5:32 pm

Hello bro,

Do you have idea about the new UNKNOWN JAVA LINK?

dabany - January 6, 2019, 4:01 pm
