yadadamean - July 10, 2017, 2:48 pm

I am sure the Uber credits only work in the US. Just as how OP mentions in the original post, and like the rest of the suppliers here on HF.

Communicated with OP, received my uber codes and everything was timely and smooth.

No issues whatsoever, do not hesitate to deal with him!

Thanks my man ?

Juicy - July 10, 2017, 3:58 pm

As the user above me said, these will only work in the US.

If you're traveling to the US you can use them :)
