Thread: [Any vulnerabilities in a forum...?](#)

gusto5 - July 10, 2017, 3:44 am

Hi,

I've search so much exploit in this forum but i'm beginner, so i didn't found anything...

Link : union-gaming.mtxserv.fr

I want to revenge against the owner. I say no more, private history sorry.

If someone can help me to find some vulnerabilities in this forum,

Thanks.

I don't think anyone is looking to put the vulnerabilities into action, just help the security threats get fixed. No need to avoid public eye.. just don't post anything worth a ban hammer? If you were looking invade any part of this site you already made your first mistake.
