Thread: [Like 200 Source's FREE!](#)

Drizzy - July 25, 2010, 7:54 pm

ok so here is the link for the sources!

Enjoy them!

its gonna say spam so just take the spaces out of this!

Edit New link!: <http://www.mediafire.com/?45d2c8w0bk3csbz>

B??N????N??R™ - July 25, 2010, 11:16 pm

Thanks.. It will definitely help me..

Cheers.

Cam G - July 26, 2010, 3:23 am

Thanks, I suppose some are decent. Should definitely help some people out!

Reserve - July 26, 2010, 5:11 pm

This user account has exceeded their daily bandwidth limit. If this is your account, you might consider upgrading to a premium plan, or reduce the number or size of files you're sharing online. As soon as the total downloads from this account over a 24 hour period drops below the accounts limit, downloads will be restored.

Godli - July 26, 2010, 5:14 pm

thanks but got error

same as IceGuru

Drizzy - July 26, 2010, 6:25 pm

Ok fixed it enjoy!

yes that is a lot! haha
short post

jjasonn - July 30, 2010, 10:18 am
wow. thats nice. Thanks CheytacModder's ! Will try and compile some of them and see how it goes.
It's a big file man. What kinda sources are there?

IRC Botnet? Host Booter? or ???

most are just basic irc bots lol...i didnt really find anything special but i thought i would share :)

jjasonn - July 30, 2010, 10:41 am
i see. eww, Needa go back all over again trying to infect people. z.z pretty tired of that.

Drizzy - August 8, 2010, 7:12 pm
Bump so more people can DL these :)
