Thread: [12 Modules Exploit Prestashop \(Priv8 Script For Free \)](#)

Freshtools - July 12, 2017, 1:43 pm

Hello All Guys Today i want to share priv8 script with exploiting 12 Modules that is priv8 script :D

If you want Tools, Shell,.... Contact me :)

Code download here :

<https://pastebin.com/raw/2Pnk6zFz>

balasniper17@gmail.com

<https://www.facebook.com/balasniper007>

ICQ: 714422045

The Doge of Wall Street - July 12, 2017, 1:44 pm

no one is going to take your seriously if you use gmail man

Sickness - July 12, 2017, 1:45 pm

Of course <https://www.facebook.com/balasniper007>

???

For what do you need ICQ if you post your facebook and the gmail lmao.

genoh - July 12, 2017, 2:31 pm

Low quality scripting man.

Shit looks like its just iterating through documentaries for basic questionable php files.
