Cool for the time being but it would have been much cooler to contribute it to a Roth IRA or 401k.

Payne. - July 12, 2017, 9:25 pm

He showed me the watch over FaceTime and I can certainly say it's not as nice as what I'm wearing now, but it will be alright until you get your funds up.

Bragging about awards is against the rules sir.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
