Thread: [Make free calls \(spoofed calls\) - Make prank calls etc](#)

Goals - July 13, 2017, 3:44 am

I thought I would do a giveaway to give back to the community.

The method allows you to make free spoofed calls. Spoofed calls mean, call as any caller ID. So you could call someone as +1 628 1111111.

Only giving this to L33T & Ub3r's. PM for the method.

If you get the e-book, please do not leak it.
