Thread: [Thread Design \[Money Making eBook\] // Free // Clean // Photoshop \[On Thread\]](#)

Kify - July 14, 2017, 3:26 am

Still experimenting with Photoshop, so decided to make another thread design and release it for everyone to use.

The resources in the PSD file are kinda messy I'll have to admit.

nice design, i suggest fixing the "features" section tho: texts, titles and icons above the text aren't centered/aligned

This is great man, I would make the shadows a little more subtle but that might just be my preference. Excellent job regardless!
