Thread: [Invalid rep?](#)

True Money - July 14, 2017, 12:41 pm

Is this rep he left on me invalid?

(abusive language, racial slurs?)

Just wondering...

Quote:What is reputation abuse?

Reputation abuse can be very complicated subject matter. Here is a list of the following ways reputation can be viewed as abuse.

- Flaming: Using extremely coarse language to describe or berate a member.
- Reputation as a currency: We do not allow the buying or selling of reputations.
- Gang Rep: The act of coordination with other members to raise or lower a member's reputation is not allowed.
- Rep Coercion: Using intimidation, threats, or blackmail to get reps added or removed.
- Rep Requesting: You cannot give hints, tips, or request reputations.
- Scammer Reputation: You're required to leave a link to a Deal Dispute thread you have created to infer someone is a scammer (ie: scammer, scams, chargebacks, scamming). Please note that a Deal Dispute link must be your own thread you've created. It cannot be a thread opened by another member.
- Deal Dispute Linking: We don't allow you to link to a Deal Dispute forum thread that's opened by another member.
- Reputation Collusion: Agreeing to participate in reciprocal reputations with a member.

If you feel it violates any of these, I suggest messaging Minimalist!

Eh, not really too bad off flaming

I guess we will know soon :) ?

Deany - July 14, 2017, 12:44 pm

I see these kinds of reps left on people all the time.
However I do not think it's invalid.

Industry - July 14, 2017, 12:46 pm

His rep may be abusive since it's flaming, but you left him a generic salty rep in return. So I'd say you guys are even.

Infact the rep you left on him possibly breaks these two rules.

Once he "contacts you to resolve" you will try to get both of you to make it green. "Change my rep to green and ill remove mine"

I see, however I don't believe my violates either but I will change it when I can:

vaiperboy - July 14, 2017, 12:53 pm

nah it won't be removed if that's what you're asking
it's just a rep dude

Is resolving rep allowed? Isn't that a form of asking for rep/rep collusion?

There's no rule against coming to a neutral agreement in terms of a reputation adjustment between

2 members, just so you know.

@OP just forget about it, this isn't the first and sure as hell won't be the last shitty rep you get.

Thats pretty much what I said on my post there, that he himself was also breaking rep rules.

- Reputation Collusion: Agreeing to participate in reciprocal reputations with a member.

So what does that rule mean haha

I'm confused what that means.

How is it not allowed to try and resolve a rep with another user neutrally? Surely that is just resolving a situation/whatever caused the rep...?

I understand that rule, it's like you asking me to give you rep, if in exchange you give me some. Of course that's a violation. However, there's NO rule against me messaging a user who left me a negative, and asking him for a change of heart.

^this.... He also left the vulgar rep first, so he got that in return.

Of course not, but you leaving a -rep on the user who -reped you., and saying "i wont remove until you do" is against the rules afaiK

I never said it wasn't, unsure why you quoted my last post...

I'm not going to post in here any more, anything that needed to be said has been. If OP can't come to a neutral agreement, then it's over with for now.
