My Honest Review

Quick info about ebook

Many Different Links

12 Pages

Comes in as a compressed zip folder

Inside folder are two methods, the Rock League One, and this one.

Grammar

I did not see one punctuation, spelling, verb tense error. This is very clear to read, and there are no grammatical mistakes from what I have seen. There should be no problem understanding what the author has wrote.

Layout

Very clean again. The text was centered when it needed to be. There were no cuts or anything that the text would continue from the beginning of the next page from the last page. The text was also bolded, so you know it's a start of a different section. There are 12 pages in total. The author includes tons of links, but not as many pictures. I think pictures would have helped get a visual representation.

The Method & Everything About It

So this is what the method requires

An investment (The higher it is, the more profit)

Time & Patience

A Paypal, Bitcoin, or Skrill Account

*Optional ID to verify who you are

Does this method work?

Yes, it does. You do need to invest, however. After you invest, you will need to find a way to sell. The seller includes many different places where you could potentially sell.

How long till I get to make some money?

You can start making money the day you get it. This can be auto pilot. Meaning, you could make money being offline from your PC, and you could make it while being on it. A way to dramatically increase your income is becoming a sponsor for a Youtuber and having a site so they can buy them.

How long does it take to set this up?

Depending on where you are selling this from, this could vary from an hour to 5 days. It takes this long because one place where you sell, it requires you to have proof of your identity including ID, addresses info, etc.

How does this method work?

This method works like this. The seller gives you various locations on where you can get these keys, games, etc. From this, you can sell it to others. So yes, this method does involve reselling.

Is this public?

This was a tough one to answer. I am usually not experienced in selling keys, and games. I don't think this would be public. The author gives you lots of ideas and examples of how you could make sales from this. If you want to make money selling keys, and will be dedicated to whatever you have,

this would be a good deal for you.

Is it worth it?

I think it's worth it. For 10\$, you could make that back in just 30 minutes. The key is for you to find the right audience to sell it to. If you know of a place or a forum where people will buy keys, games, accounts from you without much competition, then you will make some excellent money.

About Author

The author was very nice and answered any of my questions that I have. They don't hesitate to help you out, which I like. This 12-page ebook looked like it took a long time to write this. The author knows what they are talking about in this ebook and in general in this field. I wouldn't hesitate to deal with them.

-

You'll need to invest a little bit, all dependent on what games/software keys you decide to sell. If you follow my path, you won't need to invest until you get your first sale - This meaning, you'll be guaranteed profit before spending an extra dime.

If you run into any problems, I'll more than happily help you out - Not only through messages, but also through potential calls or a small video if that's necessary as well.

Layout - July 15, 2017, 2:50 am

I received a vouch copy, and I can honestly say that this ebook is genius. It is explained pretty good, so anyone can use this ebook. This ebook is a good way to get good profits. The price is pretty good, and it is definitely worth it!

Sent a message your way, gonna need some info from you upfront to determine if it'll be worth it for that sole purpose.

Mjuke123 - September 18, 2017, 10:24 am

Is this method Saturated? Or will it get saturated? Anyone made money with this?

Gamer - September 19, 2017, 11:14 am

(Sep 18, 2017 10:24 AM)Mjuke123 Wrote: [\[CITE\]](#) Is this method Saturated? Or will it get saturated? Anyone made money with this?

I made some myself, apart from that I've had customers hitting me up on Skype with some smaller questions along with positive feedback.

As I'm still busy with my job IRL I haven't been able to grant support off-site for a few days though - Regardless, one of the upcoming weekends (possibly this weekend) I'll work on an update for this product.

kivemmuort - November 16, 2017, 3:43 pm

Interested in that but would like to know if someone is still earning with this

Gamer - November 17, 2017, 6:56 am

(Nov 16, 2017 04:43 PM)kivemmuort Wrote: [\[CITE\]](#) Interested in that but would like to know if someone is still earning with this

Still earning passively from the methods - Last sale happened 2 days ago, which made me \$13 ?

Gamer - November 26, 2017, 6:39 am

Added another page, working on a complete list of sites to sell at.

Gamer - November 29, 2017, 7:51 am

Out of town for a course in regards to my job, won't be the quickest on the keyboard for a few days.

Gamer - December 3, 2017, 6:56 am

Back from the courses, support is back to normal.

Gamer - December 5, 2017, 7:52 am

I'm going to one of our other offices for the next 2 days, slightly less support as I clock in earlier and clock out later - Shouldn't have too big of an influence on support though.

Gamer - December 7, 2017, 12:01 pm

As mentioned, I've been working extra hours for the past few days as another one of our offices needed my expertise temporarily, I'm now back to my own office.

Support is back to normal for the weekend.

- Use code CHRISTMAS30PERCENT for 30%.

Gamer - December 9, 2017, 11:34 am

Support will be slow-paced again Monday and Tuesday, though, I'll be active the rest of the week after these 2 days.

Going back to the other office again.

- Use code CHRISTMAS30PERCENT for 30%.

Gamer - December 12, 2017, 1:59 pm

Off the 'second office' job for the next three days, support is back to normal, don't hesitate to hit me up with any questions you may have.

Gamer - December 14, 2017, 10:29 am

Full on support for the entire weekend, working on another project as well!

Gamer - December 16, 2017, 5:05 am

Currently working on another big project, all my previous customers gets all my new project for FREE, safe to say, y'all should be excited!

Gamer - December 20, 2017, 9:10 am

The other big project has been somewhat initiated, been reaching out to a few previous customers (1 from each of my already-existent products.)

Dependent on them, I'll edit the current process into the final product.

Gamer - December 30, 2017, 7:49 am

Still working as of today!

Had several game sales in the past week due to Christmas - Get in now! ?

exchd - December 30, 2017, 8:19 am

Coupon code has expired, that's unfortunate. :(

kant1102 - January 8, 2018, 10:07 am

does this method still works? I am interested to know if you don't mind pls!

Gamer - June 30, 2018, 2:03 am

(Jan 8, 2018 11:07 AM)kant1102 Wrote: [\[CITE\]](#) does this method still works? I am interested to know if you don't mind pls!The method still works, though, a link or two out of 10 may not work.

I'm resuming work on the project this upcoming week and the 2 weeks following. I may also proceed working on an update regarding sheets for profit calculation, including various other tools.

Gamer - July 6, 2018, 4:40 am

The only problem with the guide currently is that the product links within may not lead to the specified items no more, though, this'll shortly be fixed along with a full on makeover of the guide. Including new links and other ways to profit!

I'm now officially on my summer holidays, meaning, I've begun with the remake of both my guides, apart from that, I am also working on some new ones.

I've started out by making a website rather than use a 3rd party service, along with that I've put the guides on sale for the time being.

Please note, both this guide and my other guide hasn't been updated for quite some time, regardless. It's the same principles all together.

Guide still works, and everything within will give you a good idea of the principles.

Currently both guides are for sale, prices will go back in a week. All updates included, meaning you get the upcoming updates cheaper.

Gamer - July 7, 2018, 10:49 am

Closing both my threads, starting a new one for both of them once I'm entirely done with the remakes.

Won't be long, though, it'll include a lot of new features that are long awaited.

- With entirely remade and polished products comes a new 'strike' of vouch copies as well, so keep an eye out for that! ?

Gamer - July 16, 2018, 7:53 am

Reintroducing this guide! It's back at it's charm ?

NOTE:

THE GUIDE IS CURRENTLY BEING SOLD AT A LOWERED PRICE, INSTEAD OF \$10.00 IT'S CURRENTLY BEING SOLD AT \$5.00.

Tigah - July 16, 2018, 9:52 am

This is pretty dope, how much can you make on this?

Gamer - July 16, 2018, 10:29 am

(Jul 16, 2018 09:52 AM)Tigah Wrote: [\[CITE\]](#) This is pretty dope, how much can you make on this?

Depends on the effort, I personally pulled it off without putting any effort into it, and from that I made the profit you can see on the thread itself.

A lot of others made more, also substantially much more.

Gamer - July 19, 2018, 9:49 am

Guide is still being sold discounted, get a copy now! ?

Gamer - July 20, 2018, 11:30 am

The guide will no longer be on discount in 40 hours, get your copy before the price goes back to normal!

Gamer - July 23, 2018, 2:31 pm

Prices are back to normal, it's now \$10.00 again. Will be updating the product later this week, currently out camping.

(Jul 25, 2018 11:29 AM)ICareSometimes Wrote: [\[CITE\]](#) Hi, I just bought your product. Do I receive it through email? It has been 4 hours and I have no ebook yet...

Sorry! I've been out camping, you still haven't received your product? ?

Gamer - July 28, 2018, 4:10 pm

I've added a 10% discount for anyone buying using BTC, might add more Cryptos at a later date, but for now, that's all.

All Cryptos will be discounted with between 5% and 10%.

Gamer - July 30, 2018, 4:37 am

I'm in the process of having a software made that'll auto-bump trades on various sites, including PlayerAuctions, price is subject to change once that's made, so getting your copy now would be a money-saver.

Buy using Crypto for 10% off.

Obdurate - July 30, 2018, 7:54 am

Just copped :) looking forward to trying this

Gamer - July 31, 2018, 11:19 am

The software has already been looked into, I'm not entirely sure if it'll be released within the next 1-2 weeks, but I'll start working on it as soon as I get the time for it.

As always, if purchasing with crypto, you get 10% off.

peterfoy - August 2, 2018, 5:28 am

==CUSTOMER REVIEW==

I've purchased the E-Book, overall I would say that it's not easy and it requires you to be experienced, so far I would categorize it as medium difficulty.

I will guide you through the method, without revealing it as much for the seller's safety.

METHOD REVIEW:

So when you purchase the method, you will be given a PDF file, with I think it was 17 pages long, guiding you through various of shop websites and websites you can sell on, which does mean you have to sell something on various of websites which he explains in deep detail but it's recommended you Skype message him as he is providing some quality top notch support...

In a more logical way of saying it, the method guides you how to set up your own key shop (Through giving you a general idea), as you see from others selling on websites like G2A, the main idea is, you have to be competitive among other key shop sellers as this method is not easy but it's made to be simple but it can be time-consuming, such as knowing what to sell for what price...

OVERALL:

The price for the method is reasonable and it won't disappoint you in any way, although you do need investment and have the brain to act as a marketing manager... The non-investment way is way too competitive as you have to be quick and smart to know certain places on your own conducted research.

The support the seller provides is something I would vouch for, as he is typing more than he should of since it suggests to me that he is passionate about making this method popular near future, because, on Skype messages, he is planning to do certain programs to boost this method to it's at least maximum potential on some marketing websites you try to use this method on.

My rating is 3.5/5

In terms of the seller, I would love you to do more similar methods near future or upgrade your current one as it does have some potential, I hope you are satisfied with my review :)

Also you can rep a bit :3, thanks :)

I've purchased the E-Book, overall I would say that it's not easy and it requires you to be experienced, so far I would categorize it as medium difficulty.

I will guide you through the method, without revealing it as much for the seller's safety.

METHOD REVIEW:

So when you purchase the method, you will be given a PDF file, with I think it was 17 pages long, guiding you through various of shop websites and websites you can sell on, which does mean you have to sell something on various of websites which he explains in deep detail but it's recommended you Skype message him as he is providing some quality top notch support...

In a more logical way of saying it, the method guides you how to set up your own key shop (Through giving you a general idea), as you see from others selling on websites like G2A, the main idea is, you have to be competitive among other key shop sellers as this method is not easy but it's made to be simple but it can be time-consuming, such as knowing what to sell for what price...

Thanks for your vouch.

Out for the next 2 days, support will be minimal, I only got my phone.

Still a 10% discount if buying using crypto.

Does this require id? And can i sell the keys on ebay? And how will i compete with other people selling keys?

Gamer - August 7, 2018, 11:36 pm

Whether price they offer, you should be able to go cheaper and that way you'll be able to compete.

It's like building a resume for yourself really, start cheap, go expensive.

Unless you want more customer satisfaction, then you'll obviously need to keep prices at a decent price point.

Gamer - August 11, 2018, 3:49 pm

Still for sale and still working, support will be slow for the next week.

Lots of meetings planned and I got a lot of stuff on my plate.

Bladabindi - August 20, 2018, 11:41 pm

Looks promising, i will contact you

Digitox is working without issues, autobuy works again.

Get your copy now ?

Gamer - August 29, 2018, 5:56 am

I was asked if it still works or if it's saturated, as long as the title says differently, it's working entirely as intended.

Gamer - August 30, 2018, 10:03 am

Buy using crypto, then you'll get a 10% discount.

Start profiting by selling game keys today ?

Hankmg5 - August 30, 2018, 11:37 pm

Is this the public method where you go to some russian sites and buy keys off of them to resell because that shit is saturated af.

Gamer - September 1, 2018, 8:43 am

Makes sense a 'new guy' would register and use an hour on buying a CS:GO item and then attempt to sales trash.

However, as every other guide, if it's limited to a single method for this long, it'll get saturated, this isn't.

Especially not after the update a few weeks ago, and especially not after the upcoming update.

Gamer - September 4, 2018, 2:00 pm

Changed the payment processor back to Rocketr, digitox is undergoing a large maintenance, I'll most likely switch back once Digitox is fully functional again, however, we'll see.

Get your copy now! ?

Gamer - September 5, 2018, 11:30 pm

An update is very close for this guide, next week it should be around.

Get a copy now however! Guide still works rock solid ?

LordCactus - September 6, 2018, 6:47 am

I like the ebook, but not that useful for me because i alredy know the method (except other infos in the ebook)

7+ :)

Gamer - September 7, 2018, 2:24 am

Update should be ready Sunday!

Get your copy now ?

Gamer - September 8, 2018, 4:33 pm

Selling keys has never been easier, digitalization made the road clear for anyone wanting to enter the market.

Get a copy and start today! ?

Memeio - September 8, 2018, 5:45 pm

Very easy too understand an lots of useful links

erniuuss - September 10, 2018, 5:43 am

how much investment its needed?

Gamer - September 10, 2018, 7:22 am

(Sep 10, 2018 05:43 AM)erniuuss Wrote: [\[CITE\]](#) how much investment its needed?

Anything between \$1 and \$10 works, though, no investment is required until you start selling (You don't have to spend a dime until you earn a dime).

Gamer - *September 15, 2018, 3:22 am*

Been insanely busy with working on projects for a contractor, this still works however.

Gamer - *September 23, 2018, 11:11 pm*

This guide isn't just providing you a way of buying keys cheap, and a way of selling them for profit.

It also provides you with a hands on guide, that allows you to PERSONALLY enhance after reading.

You're not just paying for a guide, you're paying for the experience!

Gamer - *September 26, 2018, 12:03 am*

Become a Game Key seller today! It's never been easier.
