Thread: [\[Giveaway\] Get 5 euros worth of Skype credits !](#)

Skil@h - July 14, 2017, 5:18 pm

Hello guys !

I am giving out 5€ worth of Skype credits (~5.60\$) for free to one of you ! (works worldwide)

How to join : just reply on this topic ?

How and when will I pick the winner : I'll simply use random.org, winner will be picked up Sunday at 23h59 Paris time

How will I transfer the credits : By simply adding you on Skype and use the credit transfer between 2 accs feature.

Why do I do that : Because I redeemed a Bing Reward gift card for Skype and I have no use of those credits.

Giveaway restricted to upgraded members only, thank you
