Simpson™ - September 4, 2017, 10:06 am

nice portfolio friend ??

Creative Cloud - September 4, 2017, 10:16 am

I'm confused, your website "portfolio" is just a ton of templates? (look at the footer of each for credits) :|

I've sent you a PM regarding this.

SIM-3323508 - September 17, 2017, 7:23 pm

Do you actually code apps or just the design them?

Your portfolio is impressive.

I was interested in I saw that you are using templates and just replacing some images with your own. When did originality get flushed down the drain?

It depends on client requirement weather they want us to use any template or need us to create custom layout and graphics. You can PM me if you need our latest portfolio.
