Not sure if you did this on purpose as it might make you a little money? But I'm pretty sure Uploaded throttles download very hard. Maybe upload it somewhere else? Dropbox, MediaFire idk.

zmyl3 - July 16, 2017, 10:39 am

I dont do this for money, i upload on Mediafire right now.

thanks for this release. definitely about to use a few of these.

daholino - August 20, 2017, 1:57 pm

Thanks for this! It will save me a lot of time <3

ninz - August 27, 2017, 3:58 pm

thanks for this mate, really big help

johnwd - September 24, 2017, 2:56 am

Can't wait to look through this. Thanks v much OP!
