Oh, fucking perfect man!

Does this require my wallet.dat files to work? :o

Legacy © - July 16, 2017, 12:28 pm

Seems legit. NOT

Delete that shit.

Cyber Coder - July 16, 2017, 12:37 pm

even if someone would send you a pm you couldn't replay , you created your hf account just for this so is most likely a virus, maybe you thought is full of retards here, go back with your spreading somewhere else

killinem - July 16, 2017, 12:41 pm

i'm interested, but can't pm, what can i do? can you pm me?

Is a scam probably a virus or some wallet stealer don't download shit like that.

Mr.JohnnyMix - July 16, 2017, 3:52 pm

Probably a virus, RAT or another shit to steal our coins.

If you PM OP and ask for the bot, you are borderline retarded.

Kill Joy - July 16, 2017, 9:02 pm

Can't even spell correctly.

PM'd for the bot to see if it's a virus or not. Standby.

Fields - July 16, 2017, 10:10 pm

Sending you a pm

with my btc wallet and private key

hoodrichpablojuan - July 17, 2017, 5:50 am

OP has 1 post... seems legit to me lol

RUMRUN - July 17, 2017, 5:51 am

PM sent op looks like a solid deal to me

/s

FaceTehWind - July 17, 2017, 7:12 am

He just took this off another forum, saw this earlier. The bot what i got is legit, dunno about his pm stuff.

hopeforme - July 17, 2017, 9:40 am

i would love to watch how someone reverse engineers this!

hugokopf - August 17, 2017, 9:13 pm

thx for the bot !!!!! :_)

FeeliNx - August 18, 2017, 2:40 pm

Do you believe he got any victims on his RAT server yet? ;p

ChunkyCoin - August 18, 2017, 4:25 pm

I am willing to become your crash test dummy, sir.
