Thread: [Can i use screenshots of real world competition in my sales thread?](#)

**UKWZ7** - July 16, 2017, 1:19 pm

Like i am selling IG likes gig and i want people to see quickly the prices the competition has to offer. can i do that?

**Charger** - July 16, 2017, 1:19 pm

Why couldn't you?

Yes. You can do this.

**UKWZ7** - July 16, 2017, 2:33 pm

The thread may be closed then. Thanking you.  
Jack Jack.

Thats the worst thing you can do to your sales thread, also essentially thats trashing if you're comparing HF threads, I dont see a single reason why that would be allowed. Comparing prices just to get customers will most definetely work against you, none with a single brain cell does that.

Calm down, he said real world prices. Not other HF threads.

That too, there's nothing against it, you would just get roasted real quick.

OP question resolved.
