Sounds like you? A little sketched out I'd assume, at lest, if I was being honest in what I needed, I would be too. WE, with a little help from friends, can help you with whatever issue you may be facing. Including but not limited to -

Doxing - not publicly but we can find out whoever is being a douchebag online. YOU ARE PAYING FOR INFORMATION, WE ARE NOT HELPING YOU FUCK UP SOMEONES LIFE BY POSTING IT ONLINE.

Coding - We will never code black-hat type material or any materials* that we do not agree with. Don't even waste your time asking.

We will help in terms of website security and well being of your website and only your website. WE WILL NOT INVADE because you feel you are being threatened, not me nor them will because well it's not our problem. Everything offered will be treated with respect, well being and better security knowledge and everything we do will be lawful, no exceptions.

ANY OTHER LEGAL, LAWFUL SERVICE WE ARE PERMITTED TO OFFER UNDER OMNI'S DISCRETION. WE WILL NEVER RETALIATE IN ACTS OF RAGE UNLESS WE ARE PROVOKED TO. (YOU TRY TO DOX ME YOURSELF) WE BELIEVE IN KARMA. SO SHOULD YOU. PERIOD.

We do not offer any services that-

Are deemed ILLEGAL by OMNI while on this forum.

ANYTHING morally WRONG and ILLEGAL.

BLACK HAT

GREY HAT

TL;DR WE ONLY OFFER WHITE HAT SERVICES. PERIOD.

Payment will be discussed when said services are required. If we cannot help you, someone else can.

I reserve the right to -

Decline any service offers that go against what has been posted above.

Decline any service if we feel the service is emotionally drove.

Decline any service if we don't trust you.

Decline any service that we feel is sketchy.

Decline any service to anyone, even the forum owner himself.

YOU will contact us.

WE will never contact you unless told to do so.
