B FOR BADASS - July 18, 2017, 2:36 pm

Title says it all.

Participate in the poll and choose.
I will follow the results of the poll.

Thanks

Danny Khalifa - July 18, 2017, 2:37 pm

Why not?

But make one thread and put all the giveaways there.
Will be perfect.

Contributing is not spamming a forum with links you can find easily on /r/Freebies

?heshire - July 18, 2017, 2:39 pm

define contribute. I'm sure that will make all the difference considering you have a different idea of what that is.

but true

Best thing is to keep a low profile. In HF, attention is rarely a good thing.

This.... If you are already under scrutiny why bring more attention to yourself.

Pronouncer - July 18, 2017, 2:42 pm

No you shouldn't... You're spamming shit that can be found on giveaway forums even Reddit, you say "Free" pay for shipping. Your rep is built up from giveaways just stop

Ranger - July 18, 2017, 2:43 pm

Continuing with contributing stuff implies that you have actually contributed something in the first place, which in this case, you have not.

Chief - July 18, 2017, 2:44 pm

Let me rephrase this:

"Should I continue to try and farm rep or stop?"

Flurry - July 18, 2017, 2:49 pm

I'd recommend just having one thread with all the stuff on there instead of lots of separate ones.

Froggy - July 18, 2017, 2:49 pm

You have a different definition of "contributing" than the rest of us. Something like [THIS](#) would be a good contribution. Spamming threads every day that are open only to upgraded members, requiring them to PM you, then just linking to a site you can find anywhere else in a blatant attempt to farm rep and asking them to give you a "vouch" is not.

Granny Bacon - July 18, 2017, 2:52 pm

No, just stop rep farming, it's so obvious.

Pung0d - July 18, 2017, 2:55 pm

You guys are mad negative Imfao, I like him he's contributing so why shouldn't he get the rep? You guys are the main ones saying rep doesn't matter lol

Contributing isn't really "taking freebies for /R/Freebies and post them on HF to get rep".

Mmmmmmmmmmmmmmmmmmm. I retract my statement this makes a lot of sense.

Effexion - July 18, 2017, 2:59 pm

The best thing you could do to contribute to HF while not blatantly rep-farming would be to simply change your signature to something along the lines of "Want some cool, free stuff? Check this out" (hyperlinking /r/freebies or r/giveaways) and post useful posts to get your message seen and to help others in the process.

Makes perfect sense if all you want to do is contribute.

SIM-82498 - July 18, 2017, 7:14 pm

Just have a single thread compiled with all the free items you're giving away, and just post it on the thread itself. You're helping more members than before and with less work on you.

wtf is this stupid ass thread

Gary - July 18, 2017, 8:11 pm

You have your answer in this thread, you're nothing but a leech. You don't give away anything. You just "find" shopping deals, claim they're free when they're really not if you have to pay for shipping.

A lot of the members that have thanked you are kinda retarded also, you guys realize instead of paying for shipping for the shit he posts you can just go to your local dollar store and pick this stuff up????????

That's all I have to say.

Oh, and how did it feel getting called out for Fake Yeezys like a little bitch?

AeroBlue - July 18, 2017, 8:14 pm

I feel like you should contribute if you want too, but stop contributing such low-quality shit, like bath towels... lmao are you serious

Frankly after the shit show that happened in the other thread, I think your only way of recovery by continuing to "contribute" the way you have been is to simply post the links to the give aways and knock off the trying to be exclusive crap.

We can all google "Free stuff" and find lots of this kind of stuff.

These type of Freebies are not exclusive. So if you want to post one you think is good go for it, but why are you insisting on people PMing you, and you replying constantly to your very same threads for that type of stuff?

IMHO, that is not contributing, that is post and rep whoring.

Cecilia - July 19, 2017, 3:26 am

If you were to contribute you would not make such threads.

Referendum.

You lost the referendum.

Saltpeter - July 19, 2017, 1:22 pm

No.

sonex - July 19, 2017, 3:01 pm

You're not big boy, don't act like one.

?De?dW?lker - July 19, 2017, 3:28 pm

In my opinion you should do giveaways, but do them for EVERYONE and not just farm rep by giving it only to ubers and leets, what you're doing atm is not "contributing" but farming rep, Gary did the right thing by pointing it out, you just copy-pasted whatever popped up on reddit.

thePoltergeist - July 19, 2017, 3:29 pm

I think what you do is good and gives people a good heads up if they dont browse much off site.

If you start to credit your source and offer information to all members then I see 0 problem with it!

Social Engineer - July 19, 2017, 3:51 pm

If by "community" you also mean the non-upgraded members then sure, but do it in a way where you aren't spamming the section, maybe a compilation of "free stuff" in one thread and send it all as one pm.

Gary - July 19, 2017, 4:12 pm

Why a PM? Just compile the list onto your thread with the links, when he sends a PM he's asking for them to vouch on his threads too lmao.

NickK - July 19, 2017, 5:04 pm

Well, you asked....

So, the real question now is, what are you going to do now?

Improve your posting quality? or continue to be a rep whoring leech? ?

Lets await for OP's reply, I mean he DID ask, right? ?

Transporter007 - July 20, 2017, 4:04 am

Yes, continue the freebies and keep up the good work.

test - July 20, 2017, 4:07 am

If you are going to make countless 'Free Giveaways' at once, put them all into one single thread instead of just spamming links from reddit in multiple threads.

Cylow - July 20, 2017, 4:10 am

Even when OP tried to disguise the reason behind the thread and just made it seem like he's a good guy and asking a casual question, he still got fucked over.

vaiperboy - July 20, 2017, 5:46 am
