I believe he changed his name, profile is no where to be found. I wonder where he went. Why would he change such an iconic name?

Riyu - July 18, 2017, 2:53 pm

Because he sells business blueprints now

?heshire - July 18, 2017, 2:54 pm

he made millions and is now on a yacht right now. His life is currently void of any social platforms including HF.

FamousHater - July 18, 2017, 2:54 pm

I was helping a guy out, I provided other methods for FREE because of that. Please stop. What the hell are you talking about? On your threads?

And it doesn't change the fact that you are saying that your bonus ebook is worth \$500, that is ridiculous lol

It was my ebook, and it was worth \$30.
