The Potato E-Book

What is it? The Potato E-Book is an E-Book dedicated to potatoes and nothing but potatoes. If you're someone who is an expert on potatoes, or knows nothing at all, this book is for you! Our easy to read e-book is great for any experience level. By reading our e-book, you will gain knowledge on; What is a potato?, How to get potatoes?, Uses of potatoes, Different types/species of potatoes, and Fun facts about potatoes.

But, Why? I believe it is everyones right as a human being (or non-human, attack helicopter) to be informed about potatoes. Sure, there is some hear-say passed around, but only in this book, will you get the needed information to be successful with your potatoes.

Whats the price? The basic edition will start at \$10 USD, and the advanced edition (bonus money making method included!) will start at \$15 USD.

What payment methods do you accept? We accept PayPal, Bitcoin, and AGC*.

How do I get it? Simply click the Rocketr link below to check out using PayPal or Bitcoin! If you wish to buy using AGC, please PM me!
