Thread: [\[Free\]\[All Members\] Giving Free Hugs! HF's #1 Hug/Care Service! \[All Members!\]\[Free\]](#)

Vitani's Mate - July 23, 2017, 11:03 am

Well since Post to PM is now allowed.

I am starting up my free hug service again. :D

I have made a few threads for this service. Might as well put it to use again. :D

So post below if you want a hug and then I will PM you a loving hug, if you're feeling down, sad, angry ect ect, I know a hug will fix that. Also we can also talk about it. I care about every member here and willing to listen to all your problems. Best way to fix them is to tell someone about it.

Vouches:

Hi, I'm a professional wrestler from Aus.

I've in the past 18 months invested \$12,500 (AUD \$) into a pro wrestling ring, with a business partner who very shortly after was arrested & still yet to be sentenced for major drug crimes & potential man slaughter.

Since I've been paying adound \$55 a week to keep this thing stored, I've paid \$550 on 3 different occasions now to have all 3.5 tonnes of it moved, and on all 3 occasions I had to load & unload this truck myself.

I have no idea if I will ever see this money again, and siding with him over my previous wrestling company has given my local wrestling community no choice but to turn their back on me. This has almost both ruined my career and sent me bankrupt. I could really use a hug, thanks.

Edit: This best not be a bamboozle, I just poured my heart out here.
