Thread: [Where should i post my free ebook?](#)

smariusx99 - July 23, 2017, 11:23 am

In which section i should post my free ebook(only here on hf, i'm selling for money on another forums).Should i post in market and make it free as price or in money making ebooks? I ask this because it's a guide to get lots of instagram followers.

ohhhh shit here comes the addmefast

Soulmate~?? - July 23, 2017, 11:34 am

In the Free Money Making Ebooks section. However if you sell them on other sites there's a good chance someone will get it from free on HF and leak it.
