Thread: [\\$30 BTC + more.. Simply come up with a name!](#)

ICUP - July 24, 2017, 3:12 pm

Me and a friend of mine is venturing into new business... to open a small fitness apparel line. We're not there yet but we'll get there. We're currently waiting for fabric samples and t-shirts. So, to be honest, we still have a long way to go!

Anyway, we need you to help us come up with our brand/company name.

- It doesn't have to be "ultra" fitness related like MADGAINZ. ? I'm liking Maxx Chewning's brand called Ever Forward or C. Guzman's Alphalete.

- Short and memorable
- No hyphens and numbers
- Domain must be available (.com and .co.uk)
- Not business registered (Ltd)

You'll get:

\$30 (USD) BTC

£50 (GBP) to spend on our website when we open!

Ends: Friday 00:00 GMT +0 (Dublin)

Good luck!

Ps. You can send me a PM if you do not wish other users to see your entry. Multiple entries are welcome.

Ps2. All members are welcome.

How about you stand out from the crowd? Instead of all this positive BS go ahead and dominate with the fitness brand called @Disappointments

I got the OG IG in my store, HMU if you wanna rise above the noise
