I Was watching netflix and put this on, you have to watch it, i watched it and after did some searching, either this guy is a good liar or aliens are real! lol ?

THIS THING IM TALKING ABOUT -

Extraordinary: The Stan Romanek Story: A Netflix Original

2017 - 1h 45m

Explore the life and times of Stan Romanek, who found himself in the middle of one of history's most intriguing stories of extraterrestrial contact.

Starring: Stan Romanek

Genres: Documentaries

Director: Jon Suple

THIS GOT ME LOOKING OUT MY CURTAINS THINKS ALIENS ARE REAL , LOL

EDIT: HERES A VIDEO THAT WAS MADE BEFORE THE NETFLIX DOC, WITH THE GUY TALKING ABOUT ALL PROOF HE HAS AND STUFF, BUT YOU HAVE TO WATCH THE NETFLIX DOC AND TELL ME WHAT YOU THINK, I THINK 50% IS FAKE & THE SIGHTING OF THE UFOS MIGHT BE REAL, BUT NOT THE ALIEN LOOKING AT HIM IN THE HOUSE, THATS NO WAY REAL, JUST WATCH IT AND TELL ME YOURSELFS LMAO. HAHAA.

I find it weird you watched it too since I'm not the type to watch it in the first place, but it's a pretty trippy movie, though it's just a movie.

YEAH i think the alien bit in his house and at his window is fake, but the sightings was probly real and the like tryd to fake more because they liked the publicity or something, theres videos on exposing it or something, im watching them now ?
