Honestly don't see why she would call you a dickhead for that.

Sheeple - July 24, 2017, 7:16 pm

What part makes you sound like a dickhead? She must be delusional.

Honestly just ask her why. It's CS:GO and you gave a motivational speech. Maybe she thought you were talking down to them and she doesn't understand CS:GO or video games or the internet in general, idk

Is your girlfriend British?

Dickhead is a colloquial British insult, sometimes used in a jokey manner.

ZwClose - July 25, 2017, 8:07 pm

Idk about cs:go, but if this was League then you wouldn't be invited to the next game

That's why he said "xd", that vod was filled with bad vibes even if joking

and you was quoting him xd, imagen if someone mocked you in your face, would be a fight

Well in my opinion, yes u are a dickhead. You are probably 23 year old and still playing CS GO. But in the other side, she needs to back u up and not tell u that u look stupid. go fuck her.

I think it makes you sound like a dickhead because you told them to do the impossible and give 110%.

JK That speech was amazing and got me to Global.

Are you stupid, irritating, or ridiculous? If so, you may be a dick head.
