Thread: [Smugmug pass protected gallery help needed rep](#)

mserra - July 25, 2017, 9:28 am

Hello,

I really need someone who has the amazing skills of laughing at password protected smugmug galleries.

Baldie used to work it for me but he's been MIA for too long so I'm hoping someone here is able to do it for me.

Please pm or reply asap.

Thanks!!

Edit: I don't need to access the gallery myself, Just want the photos in there.
