Hey first of all thanks OP for this gift award giveaway. Okay so I really would love to receive this reward just because I want to remember that you're the person who gave it to me so I can remember you forever. Second thing is I'm starting to become a HQ member and I have done one giveaway and will do more in the future. I'm trying to save up for Uber as well so that could be a reason that I need the gift. Also thanks a lot for giving back to the community brother and wish you the best of luck to you and everyone.

Seabee - July 27, 2017, 8:15 am

Again, thank you everyone for your submissions. I will be looking carefully to make sure I select someone who is deserving! Looking forward to seeing what other submissions I get before the 24 hour closeout time!

DontWorryBeHappy - July 27, 2017, 8:52 pm

In all honesty, I actually did lose my dog and she was at my side for the last 10 years 365 days a year. No vacation for me so I could always be with her. Life has been a challenge since losing her would be one of the deepest understatements of all time.

I do everything I can to maintain a HQ status and help everyone who needs my 'particular set of skills'. Members like you offering these kinds of contests are always inspiring and of great benefit to members like me who can't otherwise easily afford these 'nice things'.

I feel I should win because I'm a high-quality member.

I have done completely legitimate business all over hf; helping some members launch their business, performing all legitimate exchanges for finances, offering advice, and though minor, even making many laugh.

I have done many giveaways on hf as well

I would really love an award on my profile. I've never had one. I've been recently upgraded by a fellow user here which was very appreciated. I've done my best to stay HQ and provide as much content and good to the community. Good luck to all who enter :)

Zuse - July 28, 2017, 2:18 am

I've been here on this forum for a while, I've contributed to helping lots of members in the past and

I would like to have this award again, I did helped a lot the community by MM their deals to not get scammed, creating few Community Alerts on people who were scamming and doing suspicious things. And I have been always nice to everyone and did my best to keep the business going and make everyone happy when they dealt with me!

Thank you very much for your contest and good luck to everyone!

Exzib - July 28, 2017, 4:33 am

Cool giveaway, never entered any of these previously.

What I have done for the community? Well I've made a platform for tracking cryptocurrency investments which is used by over 6300 users.

It is very liked here on HF.

Flash ? - July 28, 2017, 4:33 am

I deserve this becuase

Spoiler ([Click to View](#)) My name is Barry Allen and I'm the fastest man alive. When I was a child, I saw my mother killed by something impossible. My father went to prison for her murder. Then an accident made me the impossible. To the outside world, I'm just an ordinary forensic scientist, but secretly I use my speed to fight crime and find others like me, and one day I'll find who killed my

mother and get justice for my father. I am The Flash.

After carefully going through everyone's profile, I have come to a very tough, but final decision. Congratulations on being the winner of my Gift Award contest! I apologize to those who did not win, but I will be hosting more contests very shortly, so you are not completely out of luck! As I do my part to give back to the community that has done so much for me, ask yourself, "what can I do to make HF a better place?". I hope everyone enjoyed the contest, and I hope everyone has a great day!
