Thread: [\\*Free Email List Creator\\* Hiketaon Fast Email List Creator](#)

**Hiketaon** - July 27, 2017, 6:37 am

Hello HF this Email Creator is a gift from me.

This Proxy Scraper also <https://hackforums.net/showthread.php?tid=5678824>

The title says the most.. if you want to create more different email addresses let me know.

Thanks for the share OP! Keep it up!

**Success** - July 27, 2017, 9:21 am

would be a lot better if it actually created these emails instead of just giving you a list of randomly generated words.

Thanks for your comment. Yess i do. ?

(Jul 27, 2017 09:21 AM)Toxic? Wrote: [\[CITE\]](#) would be a lot better if it actually created these emails instead of just giving you a list of randomly generated words.

I can change that thanks. ?
