A little too busy with business related stuff to put this sector to good use.
So I'm offering it up for sale.
I don't have to sell it but I'd like to see if maybe someone else can put it to use.

What you will get:
- private, password-protected subforum.

[Terms Link](#)

- Replace SECTOR OWNER with your name and you get the deal.

I have not decided about the price, hit me up with offers.
No lowballs/trolls.

C/O: \$350 from [Juicy-](#)

Can you sell buyins?

Varane - July 28, 2017, 8:09 pm

I am here to confirm that Chief has my permission to sell this.

James Burnham - July 28, 2017, 8:10 pm

How much did you pay for it? I don't want to lowball or anything, it would help to know how much you paid for it.

3. SECTOR OWNER will be allowed to sell as many buyins as he wants but will have to pay \$10 to Vyrez for each buyin. If he sells a buyin for \$200, he will have to pay Vyrez \$10. If he sells a buyin for 10 cents, he will stay have to pay Vyrez \$10.

I paid \$200 for it. No buy-ins have been sold either so it is a fully clean sector ready to be used for anything.

What if he sells a buy-in for free? Does he still have to pay Vyrez \$10?

Obviously you didn't read the terms properly.

Plus you can't "sell" a buy-in for free. You're just inviting someone for free.

Chief - July 29, 2017, 7:36 am

Going to be wrapping this up soon. If no one outbids Juicy within 2 hours(12:36 PM EST) then he will win.

Whoever buys this please note we already have vouch4vouch SF, we don't need another one.

Thanks, kind regards

Final 14 minutes. Looks like Juicy will be the new owner!

Meow - July 29, 2017, 9:31 am

If someone outbids Juicy, does he immediately win or?

If they were to outbid I would notify Juicy and let him have a chance to counter. I'm only closing as it has been 12 hours since Juicy bid and I didn't/don't expect someone to outbid him but I wanted to give everyone a fair chance

EDIT: CLOSED Juicy has won this
