Not true only upgraded members can apply user cp to avoid spam to them.

However a leader can directly invite normal members.

Good Luck who got accepted ?

Seaking - July 28, 2017, 2:59 pm

Wait a second. You're not asking for a 5 page report about my life, dislikes / likes, what I hope to achieve in life, and a 30 minute ass kissing session to apply? Very nice. I only do little investments here and there with crypto currencies. If I ever decide to really dedicate the time to it I'll think about applying. I hope the group does well.
