How to use? Or for what to use?

Plugs The Plug - July 28, 2017, 11:15 am

So you type in an email and it sees if there is an account registered with it? I have seen Twitter versions online. If I am right, could be pretty useful.

Yess it is and very good idea.. but i think then it's more for the seller section and not for free.

jgmedia - August 2, 2017, 4:11 pm

This is awesome! Thank you much

Hiketaon - August 6, 2017, 6:06 am

Thanks for your post sir. No problem
