I never understood why some people send random amounts like "\$85.42"

Do they actually send an even number and paypal takes a %?

IdeaPad - July 28, 2017, 12:40 pm

That's paypal fees bro. I took money as goods

Good job man, keep up the good work

RRRaptor - July 28, 2017, 2:10 pm

Keep it up mate! I myself made a fair, fair bit today to! Nice to see another fellow earner.
