Thread: [Sales Thread and signature](#)

Linux™ - July 30, 2017, 3:51 pm

Color Scheme: Crimson, and black

What I need:

A sales thread the product title is "Hell Hole - Ultimate Revenge Tactics", and the product is priced at 10 bucks.

Perks

- Affiliate sales
- Free updates
- Entertaining Content

ToS:

- All Sales Are Final
- To claim updates you MUST have the order ID, and your email handy. Or proper proof of purchase, and that proof must be validated for a replacement, or an update claim.
- You are not allowed to share the content within this book.
- Good news, when sales shut down this book becomes public domain. When we no longer sell it for the preservation of knowledge you are allowed to share then, and only then.

Payment methods:

- Bitcoin

For the sig just a general ad, surprise me.

I'll leave all creativity up to you, it's free so I'll take what I can get. And I leave a massive thank you. Feel free to put your alias on a bottom strip on the thread design so they know it's made by you, but do not mention the forum as this thread may be used across multiple sites.
