Thread: [Do you watch japanese animation?](#)

**antony989** - August 1, 2017, 4:32 am

I am a mixed race of Koreans and Russians.  
So I live in Korea and travel to neighboring Japan frequently.  
So, I often get to see Japanese animation.  
Do you see Japanese anime often?

**?ictor?** - August 1, 2017, 4:33 am

No, I don't know what that is.

Japanese animation? I only know Spongebob

Yea. I used to watch dbz/yu yu hakusho, flame of recca, and more when i was a kid and naruto when i was in high school. Then naruto shippuden, and now boruto! I hate the latest Dragon ball tho (dragon ball super), it sucks af.

**DontWorryBeHappy** - August 1, 2017, 6:10 pm

the only anime ive watched and remotely enjoyed was one punch man

**Barney** - August 2, 2017, 1:54 am

i do, i suggest you should watch boku no academia, you will definitely get hooked, you will thank me later

**LordSkills** - August 2, 2017, 1:13 pm

I have never ever in my life watched "Japanse Animation"

**natish** - August 2, 2017, 1:42 pm

i really dont understand how people like it ..

**Barney** - August 2, 2017, 2:39 pm

it is anime and cool, you should give it a chance

I am not a big anime fan. I watched Spirited Away and loved it though.
