User Sales Thread : <https://hackforums.net/showthread.php?tid=5683039>

Multi Account 1 : <https://hackforums.net/member.php?action=profile&uid=3663528>

Multi Account 2 : <https://hackforums.net/member.php?action=profile&uid=3663039>

The user uses these Multi Accounts to vouch and bump his own threads.

Trust Scan of one of his Accounts : <https://hackforums.net/trustscan.php?uid=3663039>

Check the user's Username changes. Nahid007 which is also Multi account 1's present name.

Both Multi has only one post each and both bumped his thread!

EDIT - Few more multi's spotted. Check thread

In Bangladesh , There are a lots of people uses Free internet which consists of sharing one ip by a lots of people. That's why you might find a ip match..

However The previous username was Nabid007 which was made temporarily as i was new in Hackforums..

This post is made long ago and you didn't even informed me.. I could've easily clarified everything...

Yes exactly. Lmfao

THE NORTH FACE - August 28, 2017, 10:01 pm

It takes a special kind of stupid to make several multi accounts, especially with the same name....
Like I'm ready for bed after reading this.

Send some proof stating that, you have asked them to vouch. And why would you even do this?

L333T - August 28, 2017, 10:05 pm

However , i apologize for any kind of problem it occurs.

I am requesting them to remove their vouch ...

I don't want to hinder your business, all I wanted is, you being genuine

L333T - August 28, 2017, 10:08 pm

And you can see i myself was new in the community ...

However i can understand i it is straightly pointing that it was done by me...

But seriously i completely have no idea how the ip matches with their account..

I am requesting them to remove their comment.
