Thread: [There isn't anywhere to talk about cars, bikes, or atvs?](#)

Lex- - August 1, 2017, 3:36 pm

I'm probably just slow and cant find the sub forum, but im suprised there isn't anywhere to talk about cars and stuff

Nachfolger - August 1, 2017, 3:36 pm

No, there isn't enough chatter about it to have it's own forum.

Undefined - August 1, 2017, 3:37 pm

There's a group dedicated to cars.

Right, that is how you join every group.

Kaleb™ - August 1, 2017, 4:03 pm

Gonna apply via usercp to torque and most likely get blacklisted

'Fox - August 1, 2017, 4:20 pm

Yea ive never heard of torque either, what is that? I only know what twerk is.

VYLLYN - August 1, 2017, 6:30 pm

Yeah there is "The Lounge" for topics like that

70s - August 1, 2017, 7:50 pm

Nope only a group i would say suggest it but its been done over and over and would most likely do no good

LordSkills - August 2, 2017, 1:38 pm

Who has a car in 2417? cars are so 2017 honestly.

climatechangeisahoax - August 2, 2017, 1:40 pm

i like how atv's are also included, ATV lives matter!
