Would you mind telling what does NOT include (such as CPA,Ewhore) a bit more details or send a Pm please :) thanks!

Eagerkid - August 4, 2017, 7:46 am

This thread needs more details, and for some reason users still think that posting random pictures is proof of them earning money. The picture shown doesnt show that you profited off of the method. You should also include how the \$34.99 can be paid, like PP, bitcoin what?

lil purpp - August 4, 2017, 7:50 am

Dude I don't understand how you do it all! Like really, you do:

- League Of Legends ELO Boosting
- Vacation Planning
- Hotel Booking
- Overwatch ELO Boosting
- Marketing / eCommerce
- eSports Betting Predictions
- Sports Betting Predictions
- Fat Loss "Service"
- Autopilot Bitcoin Money Making

Is there anything you can't do?

What is wrong with being able to offer a couple of services? I am a CEO, I want to use as many resources as possible to make money

There's nothing wrong with multiple services. However, it's a problem when you keep opening multiple services that have nothing in common with each other and still don't have many vouches on your threads.

[Fat Losing Service](#) - 0 Vouches

[Summer Vacation Planning](#) - 0 Vouches

[Sports Tips](#) - 0 Vouches

[League ELO Boosting](#) - 0 Vouches

[eSports Betting Tips](#) - 0 Vouches even tho you have "many in your group"

[eCommerce / Marketing](#) - 0 Vouches (Used the same proof in this thread as well)

[Overwatch ELO Boosting](#) - 0 Vouches

Having this many services with no sales/vouches is iffy.

Not to mention you used proof in this autopilot method in your marketing method as well. The hell kind of proof is that?

Because the marketing method is involved in the autopilot method lol. And okay the first 2 users that PM me after this post is posted gets a vouch copy !

Seabee - August 4, 2017, 8:31 am

Received a vouch copy from the user. This method does not include CPA, eWhore, and is not blackhat. I suppose you could make money with this but I don't have much experience in that realm, I personally don't see myself ever using this method though. As far as the price tag goes, I honestly would not pay more than \$9.99 for this, and even that is a stretch. Sorry if this negatively impacts your sales, but I'm just being honest.

Thank you mate. This is a real working money-making method and at the same time its extremely good. I bought some ebooks here and all i saw were 20 000 words, hundreds of complicated things to do just to make 100\$ lol. That is not for me
