Hello guys,

so my account is L33t and I was wondering if I paid for 3p1c do I get L33t + 3p1c ability both together ? or if I paid for 3p1c my L33t will go away.? ??

You'll have both userbar, abilities. You'll only lose L33t if you upgrade to Ub3r.

You will get both L33T and 3P1C. Both of those upgrades each have unique features.

You get the ability both together, you can also switch your userbar when you buy 3P1C to the 3P1C one and still have L33T/3P1C Features.
