Thread: [I need your help finding a puppet!](#)

User_boy121 - August 4, 2017, 8:04 pm

So I seriously am wanting to get one of these stringed puppets but I want one that is super funny looking but not low quality. Check the YouTube video to see what type of puppet I am talking about. I checked on eBay and Amazon but all of them are cheap and not what I want. Please help HF community!
