hunterr - August 6, 2017, 12:29 pm

Haven't gotten scammed recently but I'd like to enter for this. Haven't been able to make much money lately so this could help

I--I - August 6, 2017, 12:58 pm

I bot runescape and got scammed for ~34m recently.

One I gave someone I met in game 13m to start out his bot farm and he just ran away with it.

The rest was lost when some ahk trade swapped me. :/

I usually sell this gold for \$1/m so it was a big loss for me
