It's a new anime that is on CrunchyRoll that's freaking amazing, it's about these classmates being in the lowest rank of the school tier, and how they are trying to reach the A class.

It got me hooked and I recommend you guys to watch it.

My rating 9.5/10

SynopsisKoudo Ikusei Senior High School is a leading prestigious school with state-of-the-art facilities where nearly 100% of students go on to university or find employment. The students there have the freedom to wear any hairstyle and bring any personal effects they desire. Koudo Ikusei is a paradise-like school, but the truth is that only the most superior of students receive favorable treatment.

Ayanokouji Kiyotaka is a student of D-class, which is where the school dumps its "inferior" students in order to ridicule them. For a certain reason, Kiyotaka was careless on his entrance examination, and was put in D-class. After meeting Horikita Suzune and Kushida Kikyou, two other students in his class, Kiyotaka's situation begins to change.

Comedy, Romance, School, Thriller

Thanks to Happeh for the info.

It's actually a really good show this season. I picked up episode 1 and my interest hasn't dropped throughout the series, so far. There's some philosophical insights that gives the show a nice touch.

Or you know, legal outlets.

Swip3r - August 6, 2017, 9:13 am

I HIGHLY recommend this anime, and I don't recommend much anime lmao.

nationgps - August 7, 2017, 10:12 am

Must see anime, I thought at first it was a shit, but I loved it after the first chap.

Larceny - August 7, 2017, 2:06 pm

I mean, it's aight. It's very reminiscent of Oregairu.

The only qualm I have with it, and it's not really the show's fault, but it's pretty similar to Kakegurui, which is also airing right now.

10x - August 11, 2017, 6:03 pm

Has anybody watched the newest episode?

Actuvus - August 11, 2017, 11:13 pm

Waiting for the season to end to binge watch. Honestly I have high expectations for it and I'm fighting my urge to watch it right now. It'll possibly rank very high in my personal ranking.

It's one of those anime with better storyline than the generic romance imo. If you like Grisaia/Mahouka, you'll enjoy this a lot. :3

Space• - August 23, 2017, 2:43 am

Loved the first 3/4 episodes, after that it got kind of boring.

Last episode felt like a filler, I hope they keep the same intensity as the first episodes.

Happeh - August 24, 2017, 2:52 pm

Worst episode yet. Thought I'd escaped fillers.

Honestly should just had been an OVA or something and instead kept the anime more focused on the plotline. Yeah... filler indeed.

Yeah I am pretty pissed off, they need to make sure that filler does not ruin anime, even if it means a hiatus, since it's really annoying.

WhiSky1337 - August 28, 2017, 3:45 pm

Main character is very interesting...

10x - August 31, 2017, 6:06 am

Yesterday's episode was decent, at least it didn't feel like filler :)

Holy shit the last episode was fucking amazing holy shit you guys need to watch it ASAP

Happeh - September 30, 2017, 8:48 am

Fucking shit last episode and ruined the anime for me.

Targus - September 30, 2017, 8:09 pm

Last episode cheapened out Horikita's character development, along with revealing Ayanokouji's purpose way too early. Repetitive circumstances where he outsmarts everyone, along with very superficial character development. If anything else, Ayanokouji is more or less confirmed to be a

psychopath. Maybe I had the wrong expectations for this anime, 4/10

Aura - October 11, 2017, 5:08 pm

I'm 7 minutes in the first episode and I can already tell you that it'll end up being my favorite one on the year, and in my top 5-10.

Level 98 - October 12, 2017, 7:19 am

I've heard it's kind of cheesy, want to watch it though. Might actually give it a shot.

Aura - October 12, 2017, 5:05 pm

Looks like Episode 7 is the filler. Can I skip it, go to 8, and watch it after finishing the serie? Since it's like an OVA more than anything.

More so it just ended without answering anything. Not in that artistic Lost way, where it's up to you, but just literally said nothing. I don't forgive any medium that does that but fucking anime pulls that bullshit it's infuriating. Turned what could have been a 8/10 anime to a 3/10 at best.

Happens a lot with 13 episode shows, felt the exact same with erased

Seems good, I'll probably start watching as I just finished another show and have been looking for another.

Thanks for the share!

PirataKing - October 18, 2017, 10:14 pm

anyway thanks for sharing

Stashyy - October 19, 2017, 4:42 am

I think I am going to start reading the LN because of the anime. Haven't enjoyed an anime since early 2016.

SixOneNine - October 19, 2017, 7:39 pm
