Thread: [Anime Quote Guessing Game \[2017 Version\]](#)

DerMensch24 - August 6, 2017, 8:33 pm

Hey peeps! Here's another fun activity for AA section that we haven't done in a long while.

For anyone new to this, simply put someone puts out a quote and you have 1-2 days to guess what it is from. Some key points to remember: Try to stick to one quote at a time. You may not post a new quote until the original quote has been solved.

Pick original quotes. Do not pick ambiguous quotes that any character could have said/

The person who writes the quote is permitted to give a hint after 6 hours of no one being able to guess the correct answer.

Alright that being said, lets have fun ;) I'll go first:

"[Villain] you thoughtless fool, you forgot the most important rule of combat: you're the ugly macho bad guy. Everyone knows that the macho bad guy can't win, especially when he's fighting the exceptionally handsome and popular main character. Your death was inevitable as soon as you showed up with that ugly face."

Google is probably going to destroy the integrity of this game.

"You're death"

Exonerate thyself unto the realm of English Grammar, for thou art naught but a degenerate!
My guess would be Mobile Suit Gundam.

@Crya not if the quote is not popular and is loosely translated, which seems to be the case here.

Probably, but that's why I said original lol, although this one hopefully is hard enough.

You would be incorrect, however it does have to do with a demon.

Hm, then the other two that come to mind demon wise would be either Ao no Exorcist or Ichiban Ushiro no Daimaou

Nope. Guess I'll give a hint since its a hard one. Its a quote from a side character in an anime that came out in the Fall 2008 season.

Either from Ami or Minori in Toradora.

Seems like your someone who religiously updates your MAL. Seem pretty confident in your answer that you don't even let the guy who said the quote confirm you're correct when you haven't even watched the show.

(Inb4 ""I have watched it, but I forgot to add it to MAL")

You maybe not be searching everything, and if that's the case then it's whatever. I'm just saying how it looks and from what your MAL shows.

Lately I have been updating my MAL but there's points where I watch a show then completely forget the name of them until I see something that reminds me of it. However, the show in question I haven't seen, but I have seen many clips of it and that quote was from one of them.
