Thread: [LEARN ONLINE MARKETING ----\[PERSONAL MARKETING ADVICES\]](#)

Scammerito - August 7, 2017, 5:37 pm

Hey since young age I started living from myself. I started making my money through internet when I was on the age of 12. So far I have worked nothing else than internet marketing and I've had a great life so far. I can provide you proofs of my earnings/income. What I want to do now is offering marketing advices for everyone who struggle on making sales/money online.

We will be discussing directly what you sell/how you sell it and how you should sell it.

We will focus on your niche and think as buyers for you.

Prices are the current:

-30 min session 20\$

-1hour 35\$

Even if you are new at online marketing and you got 0 experience, you will be learned to become pro.

I'll copy and paste this from his last thread about making autopilot cash.

[Fat Losing Service](#) - 0 Vouches

[Summer Vacation Planning](#) - 0 Vouches

[Sports Tips](#) - 0 Vouches

[League ELO Boosting](#) - 0 Vouches

[eSports Betting Tips](#) - 0 Vouches even tho you have "many in your group"

[eCommerce / Marketing](#) - 0 Vouches (Used the same proof in this thread as well)

[Overwatch ELO Boosting](#) - 0 Vouches

[Autopilot Money Making](#) - 3 Vouches all from free copies given out

Homeboy does it all. If you're this great of a marketer, you'd at least be able to score some sales on your threads here.
