Thread: [\[Official\] Notorious - Group Sale](#)

TheChi?f - August 8, 2017, 2:30 pm

I've finally decided to sell the group as my focus has shifted to other things as of now.

It was a great run and I'd like to shout out to all the Notorious members who were a part of the group at any given point of time.

I'm not gonna name any of the specifics as you know who you are.

You cannot keep the Notorious branding and GFX. Also, the group comes with 1 subforum.

Price: \$5250 + transfer fees paid by you to Omniscent.

Payment method : BTC/Ethereum.

I'll NOT settle for ANY PAYMENT PLANS WHATSOEVER. Don't bother PM'ing me about those. Don't PM me if you are not approved by Omniscent.

P.S. You are a Kushi.

Pretty sure if you talk with Juicy- now you could work something out he's offering \$5000 BTC where as your asking for \$5250 if he really wants a group he'll just meet you at your price and get it over with.

TheChi?f - August 13, 2017, 2:00 am

Current highest offer is \$5,000 BTC. Let me know if anyone's interested.

I'd have but I'm offering them for a lesser rate to compensate for the \$300 they may want to pay for another subforum.
