Thread: [Shell uploading?](#)

Porroo - August 11, 2017, 9:35 am

Hello! Is there any good tutorials for beginners about shell uploading and all things related to it? And how about shells?

I have been trying to find good and detailed guide from youtube but there are only pretty short and not detailed guides around.. (or low quality ones)

<http://egodox.blogspot.de/2013/04/sql-injection-into-outfile-step-by-step.html?m=1>

if you have some questions --> pm me

Regards
