Thread: [The Grim uid=431105 Being Impersonated](#)

Root1337 - August 12, 2017, 9:16 pm

<https://imgur.com/a/tfCrS>

TLDR: I posted in Grim's thread exchanging PP/BTC and also PM'd him. Random user then adds me on skype (my username is my skype name). Tells me to send money. I am like wtf? Grim never responded to my Pm or replied to my post.

<https://hackforums.net/showthread.php?tid=5689685>

After all these messages Grim responds to me saying that he is dealing with someone else and will pm me if it falls through.
