Thread: [Should pineapple be put on a pizza? I tried a Hawaiian pizza for the first time...](#)

**Drizzy??** - August 13, 2017, 5:39 pm

Unfortunately it was burnt. I guess they should have cooked it at aloha temperature.

Anyways, should pineapple be put on a pizza?

**Social Engineer** - August 13, 2017, 5:40 pm

Ngl, I like pineapple on pizza.

Shoot me.

But hey, my girl doesn't complain after either :))

**Fish** - August 13, 2017, 5:40 pm

Yes, everytime I have pizza I get pineapple put on it.

**F?cqlc??** - August 13, 2017, 5:40 pm

I like it. Salty and sweet have always gone together.

**Jimmie** - August 13, 2017, 5:41 pm

I have been eating it for years it's a normal thing in the US and I like it.

**GoneGaming** - August 13, 2017, 5:43 pm

Nice pun you made ill have to use that sometime. Anyway, yea I like pineapple on pizza.

**Avoyel** - August 13, 2017, 5:43 pm

Pineapple is one of the best toppings to put on pizza. I always get pineapple & mushroom on mine.

**SIM-3451438** - August 13, 2017, 5:45 pm

**Hiroi** - August 13, 2017, 7:49 pm

pineapple and ham pizzas are super tasty when you're in the mood for pizza and not pep and bacon.

Virgin confirmed. Like I am ready to bet my bank account on it.

**berzerk031** - August 14, 2017, 5:20 am

My opinion i dont really like pineapples on pizza just my opinion

**VirtualFrost** - August 14, 2017, 7:05 am

Hate it way too much. As a kid my parents always got us hawaiian so now if I ever have it, it tastes so boring. Love pizzas with lots of toppings, no pineapple though

**Trey Songz** - August 14, 2017, 10:09 am

Pineapple on pizza? Why not put other fruits on your pizza too then?

Disgusting.

**baka~** - August 14, 2017, 11:55 am

Well, of all those people who have posted in this thread none of the opinions about this question matter.

The one and only one have spoken;

I love Hawaiian pizza. My wife, not so much because she hasn't eaten pork since she was a kid and watched Charlotte's Web.

**Gbull** - August 14, 2017, 12:07 pm

Yes Pineapple should be put on pizza, it's the best topping ever.

Case closed.

**SIM-2223238** - August 14, 2017, 12:07 pm

It's personal opinion really but I just don't like the sudden sweet taste of pineapple on pizza.

**ParadoxicalInsanity** - August 14, 2017, 12:08 pm

Absolutely not. Pineapple does not go on pizza.

**SalesScape** - August 14, 2017, 12:09 pm

pineapple is good with pizza thats why its a classic topping :D

**Waffle** - August 14, 2017, 12:13 pm

ITT - Horrible taste in pizza toppings circlejerk

**Bossk** - August 14, 2017, 12:55 pm

I personally think it's fucking disgusting.

**YERANUK** - August 14, 2017, 1:38 pm

I prefer Pizza with only savory flavors. Pineapple just doesn't seem right.

I don't care if people like it, but it would completely ruin the pizza for me.

**Larry.** - August 14, 2017, 2:28 pm

I tasted it before I didn't really like it tbh.

**coffeefiend** - August 14, 2017, 2:37 pm

I like it, but given the choice, I would rather have a supreme pizza.

**XwhoXamXiX** - August 14, 2017, 4:27 pm

Nope ....I love fresh raw pineapple on its own ....not on my pizza or in my sweet and sour ... :O(

Putting pineapple on pizza is like putting your dick on a stove, it hurts

**Anticipate** - August 14, 2017, 7:09 pm

Way too sweet for pizza. Almost puked the first time I took a bite of pineapple pizza. Been sickened every day since by my friends who enjoy it.
