I'm a huge fan myself. At first I thought the show wasn't good, everyone always talking about it and the hype..After I watched the first episode I was hooked right away and haven't stopped watching since. I'm really bummed that season 8 will be the end, but I'll watch it over and over. One of the best shows I have ever watched.

Kieran - August 17, 2017, 5:40 pm

Best show I've ever watched.

I'd say Breaking Bad and game of thrones has to be all time best.

The got spinoff they they will come out with hopefully is good as this

There will be another season after seven but yeah, it sucks that this season feels close to an end after we waited a year or so to get it.

No lol they have another season planned for 2018/2019. Season 8 is predicted to be finale.

EricCartmanGO - August 17, 2017, 5:46 pm

Honestly gonna go into some sort of depression when GOT ends but we got the rest of S7 and whole of S8 before that tragedy comes along. Seen episode 6 and mate the ending was straight fire.

Mintos - August 17, 2017, 5:59 pm

Spartacus, Breaking bad & GOT all time favorite.
