I want L33T mostly because I will be able to edit my posts no matter how old they are. This will be especially helpful for me on my sales thread.

Kashira - August 14, 2017, 11:33 am

I'd love to get a gift award since my profile seems dull without it and in 1 week I'll officially have been on HF for a year with 2 months worth of time spent on HF.

I've contributed to the ewhoring section a bunch and have mentored probably over 500+ people.

Good-luck to all, and thanks in advance if I win.

Thanks a lot for hosting this, OP.

Good luck to everybody.

I respect everyone decision that they make, I post with maturely, and without flame. I respect other members and their point of views on any topic. This is why I am the most deserving member for a upgrade.

I'm here too learn more and getting L33T is like a push up to learn more and faster, also I help out throughout various areas of the community offering my help both knowledge wise or by means of emotional support. I given all to this community.

Because I frequently catch scammers in our community, I have helped out hundreds of new members, and I always giveaway my products for reviews before I start selling.

Also because i've never had a scammer report on my account, and because a lot of stuff (not good) has been happening to me recently.

Good luck to everyone
