When will people realize that's sub boxes are filled with trash.

Nathann22 - August 15, 2017, 9:07 pm

That doesn't seem too terrible, but not fantastic either... How much a month is it?

Haha its funny because you could get most of what they put in these boxes and more with the money you're spending on one small box.

Good vid, I actually watches it from my sub feed other then here.

The only box that has to be worth it is LootAnime.
